

## **TERMS OF USE FOR ASIAQ GEODATA**

### **General information**

Asiaq has the copyright to the free geographic data (hereinafter "the Data"), and grants the right to use the data on the following terms. These terms are accepted with all use of the Data.

### **Right of use**

Asiaq grants a worldwide, free, non-exclusive, and otherwise unlimited right to use the Data, which may be freely:

- copied, distributed and published,
- modified and compounded with other materials,
- used commercially and non-commercially.

### **Terms**

The Data may not be used in any way which suggests that Asiaq approves, supports, recommends or markets the user, the user's products or services. It must be ensured that the use of the Data is in accordance with Greenlandic law.

### **Citation of source**

Asiaq enforces its copyright. When the Data is used, the user must insert the following text in a reasonable location suitable for the distribution media:

1. "Indeholder data fra Asiaq, Greenland Survey" or "Contains data from Asiaq, Greenland Survey", or Asiaq's logo, which is included with this document.
2. Name of the dataset(s).
3. Time when the dataset(s) was/were obtained from Asiaq, or whether the Data is part of a data service,  
(e.g.: "Contains data from Asiaq, Greenland Survey, Basemap, [year]").
4. Ensure that "Asiaq, Greenland Survey" appears on the front page of the service if other sources are also named on the front page.
5. Make a copy of these terms of use, e.g. via link, available to third parties.

The above terms of use also apply if the user transfers the Data from Asiaq to a third party.

### **Asiaq's rights and responsibilities**

The Data is provided as is, and Asiaq is in no way liable for content, origin, errors and omissions, or any form of damage that may arise from use of the Data. Asiaq does not guarantee that the Data is always available. Asiaq may amend the right of use and terms thereof at any time.
